Just too many red flags...I was able to get some of the Takeda Officials to verify that the transactions were legitimate. I still don't see how you make \$920k in two weeks with another 3 million coming. Business description was very vague.

Thanks again and have a great weekend!
Bill

Yes, he told me he was thinking of closing the account anyways because he did not like the way we handled the situation. He did close his personal accounts as well.

Thank you,

Hi Bill,

The account was just closed. Attached is a copy of the check. Samuel opened a business account at Santander.
